Free Archos Tablet

for the 1st Da Vinci 1.1 buyer

To celebrate the release of XYZ's Da Vinci 1.1 Plus, the first customer to purchase one will receive a **FREE 13.3" Archos FamilyPad 2 worth \$500.**

Why a free tablet? Not only does the Family Pad 2 have a massive 13.3" screen but The Da Vinci 1.1 Plus is the first of its range to have WiFi connectivity. This means you can control and monitor your prints remotely from your computer or mobile device!

Other new features of the Da Vinci 1.1 Plus includes:

- **Larger Build Size** (20cm x 20cm x 20cm)
- **Inbuilt Camera**
- **Heated Bed**
- **LCD Screen**

Check out the specs below!
