You're Invited!

We are Australia's biggest and oldest consumer 3D printing company that also specialises in training and servicing. We will be launching our Sydney store and would like you to celebrate with us!

From 4pm-7pm on the
19th January 2015
at 25/566 Gardeners Road, Alexandria ([Map](#))

BE THE FIRST to see the latest 3D printing tech to hit Australia, and to get a sneak peak of what's coming.

Some of our latest additions include the Roland ARM-10 (resin 3D printer), the De Vinci range and the Flashforge Dreamer.

A new line of filaments will also be announced on the night...

TOUCH 3D prints in bronze, flexible rubber, wood, brick, colour changing plastics and more!

PLAY with our customised 3D printed interactive displays.

MEET the Australian artists, architects, engineers, designers and innovators who use 3D printing.

TAKE HOME SOME SWAG - Guests will receive a giftbag with samples for beginners and 3D printing professionals.

RSVP by the 15th January to secure your invite!

Guests are welcome.
